ASSIGNMENT OF BENEFITS

I hereby assign, transfer, and set over to Palmetto all my rights, title, and interest to my medical reimbursement benefits under my insurance policy and authorize Palmetto to file (and assign to Palmetto my right to file) my insurance claim under my policy for Palmetto's services. I further authorize the release of any medical information needed to determine benefits, including psychiatric, substance abuse (drug or alcohol), psychological, assessment, diagnosis, and treatment information for the routine processing of these claims.

This authorization shall remain valid until written notice is given by me revoking said authorization. I understand that this order does not release me of my obligation to pay such bills if not paid by my Insurance Company or of any balance due after payments by my Insurance Company.

PALMETTO COUNSELING FINANCIAL POLICY

First Appointment: Please arrive for your initial appointment 30 minutes early so that all paperwork may be completed before you see the clinician. Please bring your current insurance card with you EACH VISIT. On follow-up visits, you will be asked to verify demographic/insurance information so that our records remain up-to-date. Please be prepared to pay for the current visit as well as any past balances on your account. Payment of co-pays, deductibles or any non-covered services will be required at the time of service. Paying applicable co-pays/deductibles/co-insurance charges at the time of service does not mean that you will not receive a bill after your visit, fees are only estimated. For your convenience, we accept CASH, CHECKS, MASTERCARD, VISA, DISCOVER, AMERICAN EXPRESS, AND DEBIT.

Insurance: When scheduling an appointment at our practice, it is your responsibility to confirm with your insurance company that the clinician is under contract with your plan. If your plan requires that you have a referral prior to seeing a specialist, please contact your primary care physician so that you have the referral in hand at the time of your appointment. If your insurance should happen to change, we require that you notify our office 24 hours prior to your appointment time. If you do not notify us (before the date services are rendered) of any changes in your insurance coverage, **YOU WILL BE RESPONSIBLE FOR PAYMENT IN FULL.**

PROOF OF INSURANCE. PATIENT MUST PROVIDE CORRECT INSURANCE INFORMATION AT TIME OF SERVICE. FAILURE TO DO SO MAY RESULT IN A \$10 REBILLING CHARGE.

CO-PAYS: CO-PAYS ARE DUE AT THE TIME OF SERVICE. A \$10 BILLING CHARGE MAY BE ADDED TO COVER BILLING EXPENSES IF NOT PAID AT THE TIME OF SERVICE.

Client is responsible for knowing their benefit coverage for specialist visits. We will be happy to file your insurance claim on your behalf. We allow 45 days from date the claim was filed for your insurance company to pay. If your insurance does **NOT** pay within this time, you may be responsible for the entire balance. We will not become involved in disputes between you and your insurance company regarding coverage and /or policy benefit criteria (e.g., deductibles, non-covered services, co-insurance, coordination of benefits, pre-existing conditions, or reasonable and customary charges, etc.) other than to supply factual information when necessary.

Out-of-Network Insurance & Insurance Denials: If you have insurance our practice does not accept or claim is denied by your insurance company, you will be responsible for the full amount of all professional fees and charges for services provided. We can provide you with a receipt for clinical services rendered that you may submit to your insurance company for reimbursement.

If you are insured by a managed care organization (HMO), and being seen for any covered service, you must have PRIOR AUTHORIZATION. If you do not obtain authorization, you will be responsible for PAYMENT IN FULL. We recommend you contact the customer service number on your insurance card prior to your first visit to determine if prior authorization is required and basic information regarding your behavioral health benefits.

Any Preferred Provider (PPO) or In-Network discounts will not apply UNLESS YOU HAVE YOUR INSURANCE CARD WITH YOU. If you do not have your insurance card with you, insurance has instructed us to collect payment in full for all services received. If your insurance informs us your eligibility status has changed, you will be responsible for payment in full until verification of insurance benefits is obtained from your insurance carrier.

Usual and Customary Rates: Palmetto is committed to providing the best treatment for our clients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

You are responsible for deductibles, co-insurance, non-covered services, and any other charges your insurance may not cover. You will be sent monthly statements regarding any monies owed by you, the client. If the same balance becomes more than 3 months past due, you will be charged a finance charge of \$10.00 each month thereafter until the balance is paid in full. If your account must be turned over to a collection agency, all discounts will be removed, and collection processing fees will be added to the account. Additional fees may be added if the account is not paid within 45 days of being placed in collections. Credit bureaus are advised of unpaid debt.

Collections: Accounts will be sent to collections after 90 days if not paid as agreed. If your account has not been paid for more than 90 days and arrangements for payment have not been agreed upon, our practice has the option of using legal means to secure the payment. This may involve hiring a collection agency or going through small claims court which will require our practice, as allowed by law, to disclose confidential information about you. You agree that if we must collect on your account that you will be responsible for the costs of collection, including attorneys' fees. In most collection situations, the only information our practice would release regarding a client's treatment is his/her name, the type of services provided, and the amount due [If such legal action is necessary, these costs will be included in the claim]. An administrative fee of **\$42** will be applied for **all returned checks with insufficient funds**.

NO SHOW / LATE CANCELLATION POLICY:

Please be mindful that your appointment time is reserved **exclusively** for you and be considerate of others – if you miss your appointment or cancel at the last minute, we will be unable to provide care for another client in your place and have no way of recovering lost revenue due to “no-shows” or last-minute cancellations.

Palmetto charges a *\$55 administrative fee**** for missed appointments or appointments cancelled / rescheduled with less than 24 hours advance notice (**Note: excludes the following: Aetna EAP, Corp Care*

EAP, Business Health Services EAP, TriCare North, SC Medicaid, or in the case of severe illness and emergency situations). This fee is non-refundable and is **not** covered by your insurance or EAP.

I UNDERSTAND THAT I AM RESPONSIBLE FOR FINDING A NEW THERAPIST IF I FAIL TO SHOW UP FOR TWO CONSECUTIVE APPOINTMENTS or MULTIPLE NO SHOWS, WITHOUT PROVIDING A 24 HOUR NOTICE. WE WILL NOT CONTINUE TO PROVIDE SERVICE AFTER TWO NO-SHOWS. I HAVE READ AND AGREE TO THE ABOVE POLICY TERMS.

Administrative Fees: Like other medical practices, declining insurance reimbursements and rising costs force us to charge for certain administrative services that are not covered by insurance. The following fees are applicable to all patients and are **not covered by insurance or EAPs** in which patient shall be solely responsible:

REVIEW OF PSYCHOLOGICAL / MEDICAL FORMS / LEGAL FORMS / COURT DOCUMENTS / REPORTS, & LETTER COMPLETION (COMPLETED OUTSIDE OF APPOINTMENT TIMES)

- \$50 minimum [pro-rated at \$25 / 15 minutes to complete thereafter]

NON-CRISIS TELEPHONE CONSULT / AFTER-HOURS CONSULT WITH CLINICIAN

- \$50 minimum [Pro-Rated at \$25 / 15 minutes thereafter]

E-MAIL CONSULT WITH CLINICIAN

- \$50 minimum [pro-rated at \$25 / 15 minutes to complete thereafter]

COURT APPEARANCE / COURT TESTIMONY

- \$250 / HOUR

***Note: this fee will apply for each hour clinician is required to be present and not specific to time spent providing testimony**

Thank you for understanding the reason behind these fees. We will be reasonable in applying them and notify you when they apply.

PCC TELEHEALTH INFORMED CONSENT

Introduction of TeleHealth:

As a client or patient receiving services at Palmetto Counseling & Consulting Services, LLC through telehealth technologies, I understand:

IMPORTANT: To receive Telehealth services at PCC, client must have a valid, credit card on-file to pay for all applicable copay/session fees [note: credit card information is securely stored with PCC’s credit card processor via PCI-compliant, encrypted vault] or Client must Pre-Pay for all applicable copay/fees prior to Telehealth session.

TeleHealth is the delivery of behavioral health services using interactive technologies (use of audio, video or other electronic communications) between a practitioner and a client/patient who are not in the same physical location.

The interactive technologies used in telehealth incorporate network and software security protocols to protect the confidentiality of client/patient information transmitted via any electronic channel. These protocols include measures to safeguard the data and to aid in protecting against intentional or unintentional corruption.

Software Security Protocols:

Electronic systems used will incorporate network and software security protocols to protect the privacy and security of health information and imaging data and will include measures to safeguard the data to ensure its integrity against intentional or unintentional corruption.

Benefits & Limitations:

This service is provided by technology (including but not limited to video, phone, text, apps and email) and may not involve direct face to face communication. There are benefits and limitations to this service.

Technology Requirements:

I will need access to, and familiarity with, the appropriate technology to participate in the service provided.

Exchange of Information:

The exchange of information will not be direct, and any paperwork exchanged will likely be provided through electronic means or through postal delivery.

During my telehealth consultation, details of my medical history and personal health information may be discussed with myself or other behavioral health care professionals using interactive video, audio or other telecommunications technology.

Local Providers:

If a need for direct, in-person services arises, it is my responsibility to contact providers in my area or to contact my behavioral provider's office for an in-person appointment or my primary care physician if my behavioral provider is unavailable. I understand that an opening may not be immediately available in either office.

Self-Termination:

I may decline any telehealth services at any time without jeopardizing my access to future care, services, and benefits.

Risks of Technology:

These services rely on technology, which allows for greater convenience in service delivery. There are risks in transmitting information over technology that include, but are not limited to, breaches of confidentiality, theft of personal information, and disruption of service due to technical difficulties.

Modification Plan:

My provider and I will regularly reassess the appropriateness of continuing to deliver services to me using the technologies we have agreed upon today, and modify our plan as needed.

Emergency Protocol:

In emergencies, in the event of disruption of service, or for routine or administrative reasons, it may be necessary to communicate by other means:

Disruption of Service:

Your provider will typically respond to communications and routine messages within 24 – 48 hours

Client Communication:

It is my responsibility to maintain privacy on the client end of communication. Insurance companies, those authorized by the client, and those permitted by law may also have access to records or communications.

I will take precautions to ensure that my communications are directed only to my provider or other designated individuals.

Client’s Electronic Medical Record. Laws & Standards:

The laws and professional standards that apply to in-person behavioral services also apply to telehealth services. This document does not replace other agreements, contracts, or documentation of informed consent.

ADDENDUM A – ELECTRONIC TRANSMISSION OF INFORMATION:

I, the undersigned, agree to participate in technology-based consultation and other healthcare-related information exchanges with

-
Palmetto Counseling & Consulting Services, LLC, a behavioral health care provider (“provider”). This means that I authorize information related to my medical and behavioral health to be electronically transmitted in the form of images and data through an interactive video connection to and from the above-named provider, other persons involved in my health care, and the staff operating the consultation equipment.

Mobile Application:

It may also mean that my private health information may be transmitted from my provider’s mobile device to my own or from my device to that of my provider via an “application” (abbreviated as “app”).

I understand that a variety of alternative methods of behavioral health care may be available to me, and that I may choose one or more of these at any time. My behavioral health care provider has explained the alternative to my satisfaction.

Equipment:

I represent that I am using my own equipment to communicate and not equipment owned by another, and specifically not using my employer’s computer or network. I am aware that any information I enter an employer’s computer can be considered by the courts to belong to my employer and my privacy may thus be compromised.

Identification:

I understand that I will be informed of the identities of all parties present during the consultation or who have access to my personal health information and of the purpose for such individuals to have such access.

TeleHealth Process:

My health care provider has explained how the telehealth consultation(s) is performed and how it will be used for my treatment. My behavioral provider has also explained how the consultation(s) will differ from in-person services, including but not limited to emotional reactions that may be generated by the technology.

Additional Services:

I understand that it is my duty to inform my provider of electronic interactions regarding my care that I may have with other health care providers.

Electronic Presence:

In brief, I understand that my provider will not be physically in my presence. Instead, we will see and hear each other electronically, or that other information such as information I enter an "app" will be transmitted electronically to and from myself and my provider.

Limitations:

Regardless of the sophistication of today's technology, some information my provider would ordinarily get in in-person consultation may not be available in teleconsultation. I understand that such missing information could in some situations make it more difficult for my provider to understand my problems and to help me get better. My provider will be unable to physically touch me or to render any emergency assistance if I experience a crisis.

Risks:

I understand that telehealth is a new delivery method for professional services, in an area not yet fully validated by research, and may have potential risks, including some that are not yet recognized.

Among the risks that are presently recognized is the possibility that the technology will fail before or during the consultation, that the transmitted information in any form will be unclear or inadequate for proper use in the consultation(s), and that the information will be intercepted by an unauthorized person or persons.

In rare instances, security protocols could fail, causing a breach of privacy of personal health information. I understand that a physical examination may be performed by individuals at my location at the request of the consulting provider.

Release of Information:

I authorize the release of any information pertaining to me determined by my provider, my other health care providers or by my insurance carrier to be relevant to the consultation(s) or processing of insurance claims, including but not limited to my name, Social Security number, birth date, diagnosis, treatment plan and other clinical or medical record information.

Discontinuing Care:

I understand that at any time, the consultation(s) can be discontinued either by me or by my designee or by my health care providers.

I further understand that I do not have to answer any question that I feel is inappropriate or whose answer I do not wish persons present to hear; that any refusal to participate in the

consultation(s) or use of technology will not affect my continued treatment and that no action will be taken against me.

I acknowledge, however, that diagnosis depends on information, and treatment depends on diagnosis, so if I withhold information, I assume the risk that a diagnosis might not be made or might be made incorrectly.

Were that to happen, my telehealth-based treatment might be less successful than it otherwise would be, or it could fail entirely.

Limits of Confidentiality:

I also understand that, under the law, and regardless of what form of communication I use in working with my provider, my provider may be required to report to the authorities information suggesting that I have engaged in behaviors that endanger others.

Alternatives:

The alternatives to the consultation(s) have been explained to me, including their risks and benefits, as well as the risks and benefits of doing without treatment. I understand that I can still pursue in-person consultations. I understand that the telehealth consultation(s) does not necessarily eliminate my need to see a specialist in person, and I have received no guarantees to the telehealth consultation's effectiveness.

Records:

I understand that my telehealth consultation(s) may be recorded and stored electronically as part of my medical records. I understand that consultations, test results, and disclosures will be held in confidence subject to state and/or federal law.

I understand that I am ordinarily guaranteed access to my records and that copies of records of consultation(s) are available to me on my written request.

I also understand, however, that if my provider, in the exercise of professional judgment, concludes that providing my records to me could threaten the safety of a human being, myself or another person, he or she may rightfully decline to provide them. If such a request is made and honored, I understand that I retain sole responsibility for the confidentiality of the records released to me and that I may have to pay a reasonable fee to get a copy.

Additionally, I understand that my records may be used for telehealth program evaluation, education, and research and that I will not be personally identified if such use occurs.

I hereby authorize these disclosures to take place without prior written consent _____.

Compensation:

I understand that I am not entitled to royalties or to other forms of compensation for participation in any telehealth consultation(s) or other information exchange.

Contact Information:

I have received a copy of my provider's contact information, including their name, telephone number, pager and/or voice mail number, business address, mailing address, and e-mail address (if applicable).

I have also been provided with a list of local support services in case of an emergency. I am aware that my provider may contact the proper authorities and/or my designated, local contact person in case of an emergency.

Emergency Care:

I acknowledge, however, that if I am facing or if I think I may be facing an emergency that could result in harm to me or to another person; I am not to seek a telehealth consultation. Instead, I agree to seek care immediately through my own local health care practitioner or at the nearest hospital emergency department or by calling 911.

Release of Liability:

I unconditionally release and discharge Palmetto Counseling & Consulting Services, LLC, its affiliates, agents, employees; and my provider and his or her designees from any liability in connection with my participation in remote telehealth consultation(s).

Final Agreement:

I have read this document carefully and fully understand the benefits and risks. I have had the opportunity to ask any questions I have and have received satisfactory answers.

With this knowledge, I voluntarily consent to participate in the telehealth consultation(s), including but not limited to any care, treatment, and services deemed necessary and advisable, under the terms described herein.

PCC INFORMED CONSENT FOR IN-PERSON SERVICES DURING COVID-19 PUBLIC HEALTH CRISIS

This document contains important information about our decision (yours and mine) to resume in-person services considering the COVID-19 public health crisis. Please read this carefully and let us know if you have any questions. When you sign this document, it will be an official agreement between us.

Decision to Meet Face-to-Face

We have agreed to meet in person for some or all future sessions. If there is a resurgence of the pandemic or if other health concerns arise, however, we may require that we meet via telehealth. If you have concerns about meeting through telehealth, we will talk about it first and try to address any issues. You understand that, if we believe it is necessary, we may determine that we return to telehealth for everyone's health and well-being.

If you decide at any time that you would feel safer staying with, or returning to, telehealth services, we will respect that decision, if it is feasible and clinically appropriate. Reimbursement for telehealth services, however, is also determined by the insurance companies and applicable law, so that is an issue we may also need to discuss (in the event your insurance denies claim(s) for TeleHealth services).

Risks of Opting for In-Person Services

You understand that by electing to come to the office for an in-person visit, you are assuming the risk of exposure to the COVID-19 (or other public health risk). This risk may increase if you travel by public transportation, cab, or ridesharing service.

Your Responsibility to Minimize Your Exposure

To obtain services in person, you agree to take certain precautions which will help keep everyone (you, me, our families and other staff and patients) safer from exposure, sickness and possible death. If you do not adhere to these safeguards, it may result in our starting / returning to a telehealth arrangement.

For Your Safety and The Safety of PCC Staff, Please Ensure the Following Protocols Are Followed:

You will only keep your in-person appointment if you are feeling well and symptom free.

We will take your temperature before coming to each appointment. If it is elevated (100 Fahrenheit or more), or if you have other symptoms of the COVID-19 (including without limitation, a cough, breathing difficulties or sudden loss of taste), you agree to cancel the appointment or proceed using telehealth. If you wish to cancel for this reason, you will not be charged our normal cancellation fee.

You will wait in your car or outside (or in a designated safe waiting area) until no earlier than 5 minutes before your appointment time.

You will wash your hands or use alcohol-based hand sanitizer upon entering the building.

You will adhere to the safe distancing precautions we have set up in the waiting room and therapy rooms. For example, you won't move chairs or sit where we have signs asking you not to sit.

You will wear a mask in all areas of the office (as will all staff).

You will keep a distance of 6 feet and there will be no physical contact (e.g. no shaking hands) with anyone in the office.

You will try not to touch your face or eyes with your hands. If you do, you will immediately wash or sanitize your hands.

You are asked to not bring anyone with you if possible, and in any event. Should you need to bring your child due to lack of childcare, you will make sure that your child follows all these sanitation and distancing protocols and is also symptom free.

You will take steps between appointments to minimize your exposure to COVID-19.

If you have been exposed to other people who are infected with COVID-19 and have recently been in the office, you will immediately let us know. Depending on the degree of contact, we may deny in-person visits with you for up to 14 days (or such time as is advisable by the Center for Disease Control).

We may change the above precautions if additional local, state or federal orders or guidelines are published. If that happens, we will talk about any necessary changes.

Our Commitment to Minimize Exposure

Our practice has taken steps to reduce the risk of spreading COVID-19 within the office and we have posted our efforts on our website and in the office. Please let us know if you have questions about these efforts.

If You or One of Us is Sick

You understand that we are committed to keeping you, us and all of our families safe from the spread of this virus. If you show up for an appointment and we believe that you have a fever or other symptoms, or believe you have been exposed, we will have to require you to leave the office immediately. We can follow up with services by telehealth as appropriate.

If anyone in our practice tests positive for COVID-19, we will notify you so that you can take appropriate precautions.

Your Confidentiality in the Case of Infection

If you have tested positive for COVID-19, we may be required to notify local health authorities that you have been in the office. If we must report this, we will only provide the minimum information necessary for their data collection and will not go into any details about the reason(s) for our visits. By signing this form, you are agreeing that we may do so without an additional signed release.

Informed Consent

This agreement supplements the general informed consent and initial intake paperwork that we agreed to at the start of our work together.
